

# COST

## • — Get and idea on costs — •

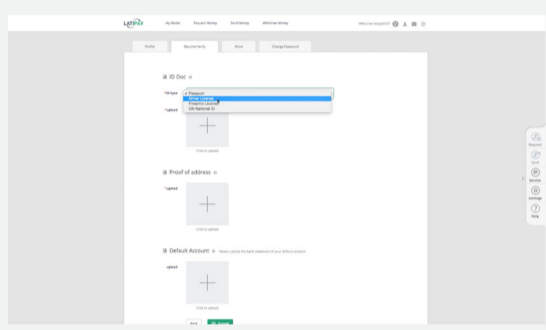

These prices are just a guide so you can get an idea of what your project might cost.

We cater for all size projects and have options for packages for more than one video, cutdowns, added web banners or even social media graphics.

They all exclude scripting. We do provide scripting as an add-on.  
Please use the quote form to get a more accurate quote.

All prices are in AUD
